

OrbiMed Elects New General Partner

New York, NY, August 22, 2007 – OrbiMed Advisors LLC, a leading alternative investment management firm focused on life sciences companies, today announced the election of W. Carter Neild as a new General Partner of the firm.

Carter has been with the organization since January 2002. Since joining OrbiMed over five years ago, he has been a significant contributor to the performance and growth of all aspects of OrbiMed's business.

Carter joins five existing General Partners of the firm: Samuel D. Isaly, Sven H. Borho, Carl Gordon, Michael Sheffery and Jonathan Silverstein. Carter can be reached at (212) 739-6400 or NeildC@OrbiMed.com.

About OrbiMed

OrbiMed invests across the entire spectrum of pharmaceutical, biotechnology and medical device companies on a worldwide basis. Investments are made through hedge funds, private equity funds and other investment vehicles. OrbiMed's investment team of over 20 professionals has been active in private equity since 1993 and public equity since 1989. OrbiMed currently manages over \$5 billion in assets, ranking the firm as the largest investment management firm focused solely on life sciences opportunities. OrbiMed maintains offices in New York City.
